QUALITY

VALUE

SERVICE

Understanding your business, goals, and needs is important to finding the right package solution. Associated Packaging will take the time to understand what your particular needs are and meet them.

Quality and Selection:

We provide our customers with a wide range of package options and guide them through all these options to find the best package fit. Whatever industry you are in, whatever unique packaging solution you need, chances are...we can help you!

Service:

Talk to us about your time constraints, we will work with you to get your product to the market on time. At Associated Packaging, we provide timely communication and keep our customers informed about their project's status.

Value:

We understand that cost is an important factor for businesses. We will work with you to determine what packaging solution gives you the best value.

Your Complete Contract Packaging Service!

Associated Packaging Inc., is a full service packaging company located in Southeast Michigan. Since 1978 we have worked to provide the best packaging solution for our clients.

We welcome all types of packaging “challenges” whether materials or equipment—from stock items to specially designed custom packaging.

Associated Packaging can save you time and money, help lower your shipping costs, and provide superior packaging.

Samples of our Work

We Can Package it for You!
